

## 5 November - second Lockdown

With this second lockdown our clothes shop is closed until the beginning of December, and sadly we cannot accept any donations until then. We will open again just as soon as we are allowed to!

We are working behind the scenes to get the café ready to open as soon as possible, perhaps just for take-aways to begin with.

We are also keen to resume other services, such as our free Legal Clinic and Senior Groups as soon as these can be risk assessed effectively.

As a charity The Well relies heavily on volunteers. **We need to recruit more people to help in the Cafe, Shop and Food Bank – we are always delighted to hear from local people who feel they can help.**

Even though the premises are closed to visitors, we are continuing to work during lockdown and if you are interested in getting involved, please contact Emma Dowman (Centre Manager) on 0116 279 0148 (9am-3pm), or by email to [manager@thewellkibworth.org](mailto:manager@thewellkibworth.org)

We were in receipt of a phenomenal number of Harvest Festival donations from local churches and schools. However, we would be so grateful for further donations, especially tins of meat, from the public - either in the food bank basket at the Co-op, or directly to the door at 47 High Street, Tuesday to Thursday 10am-12noon.

The Food Bank has a referral system – telephone 07517 350912 (10am-3pm) or email Emma at [manager@thewellkibworth.org](mailto:manager@thewellkibworth.org)
